To Whom It May Concern:

This is a letter of reference for Tania de Jesus.

I had the distinct pleasure of working with Tania on a very large photo shoot in Hawaii. The project involved several days of pre-production email and phone conversations to coordinate all of the details. Once the production began, we engaged in a series of shoot scenarios, different models and various locations. Throughout every stage, Tania conducted herself with flexibility and extreme professionalism, all the while maintaining an absolutely delightful disposition.

I was additionally impressed with her ability to function not only as an extremely talented hair stylist and make-up artist, but also as a wonderful fashion stylist. She had a complete understanding of what was needed, and worked diligently and creatively to accomplish the goals set before her.

I'm certain that anyone who is fortunate enough to employ her services will have a similarly wonderful experience!

Sincerely,
Lynn DelMastro
